

Valencia Golf & Country Club

How to use this atlas

English reference edition | October 9, 2026

This atlas covers the Valencia Golf & Country Club county parcel records in Naples, Florida 34120. Search the PDF for an address, then use the lot/unit and folio to identify the parcel. Lot numbers repeat between subdivision records, so an address or folio is the safest reference.

507 official parcel geometries are retained. All 229 substantive inventory rows are included: Timer A has 134 rows and Timer B has 95. Exactly 219 rows link to a county parcel by the written street and house number; 10 common-area or parking references remain unlocated.

Overview: page 2. Detail maps: pages 3-20, arranged north to south and west to east. Grid rows A-F run north to south; columns 1-4 run west to east. Empty cells are omitted. The parcel index and complete timer-zone inventory follow the maps.

Detail labels: L = county lot/unit; # = house number; TA:1 = Timer A, zone 1. Green and blue colors show source associations. Gray parcels have no verified inventory link. Colors do not define a hydraulic zone or a guaranteed isolation area.

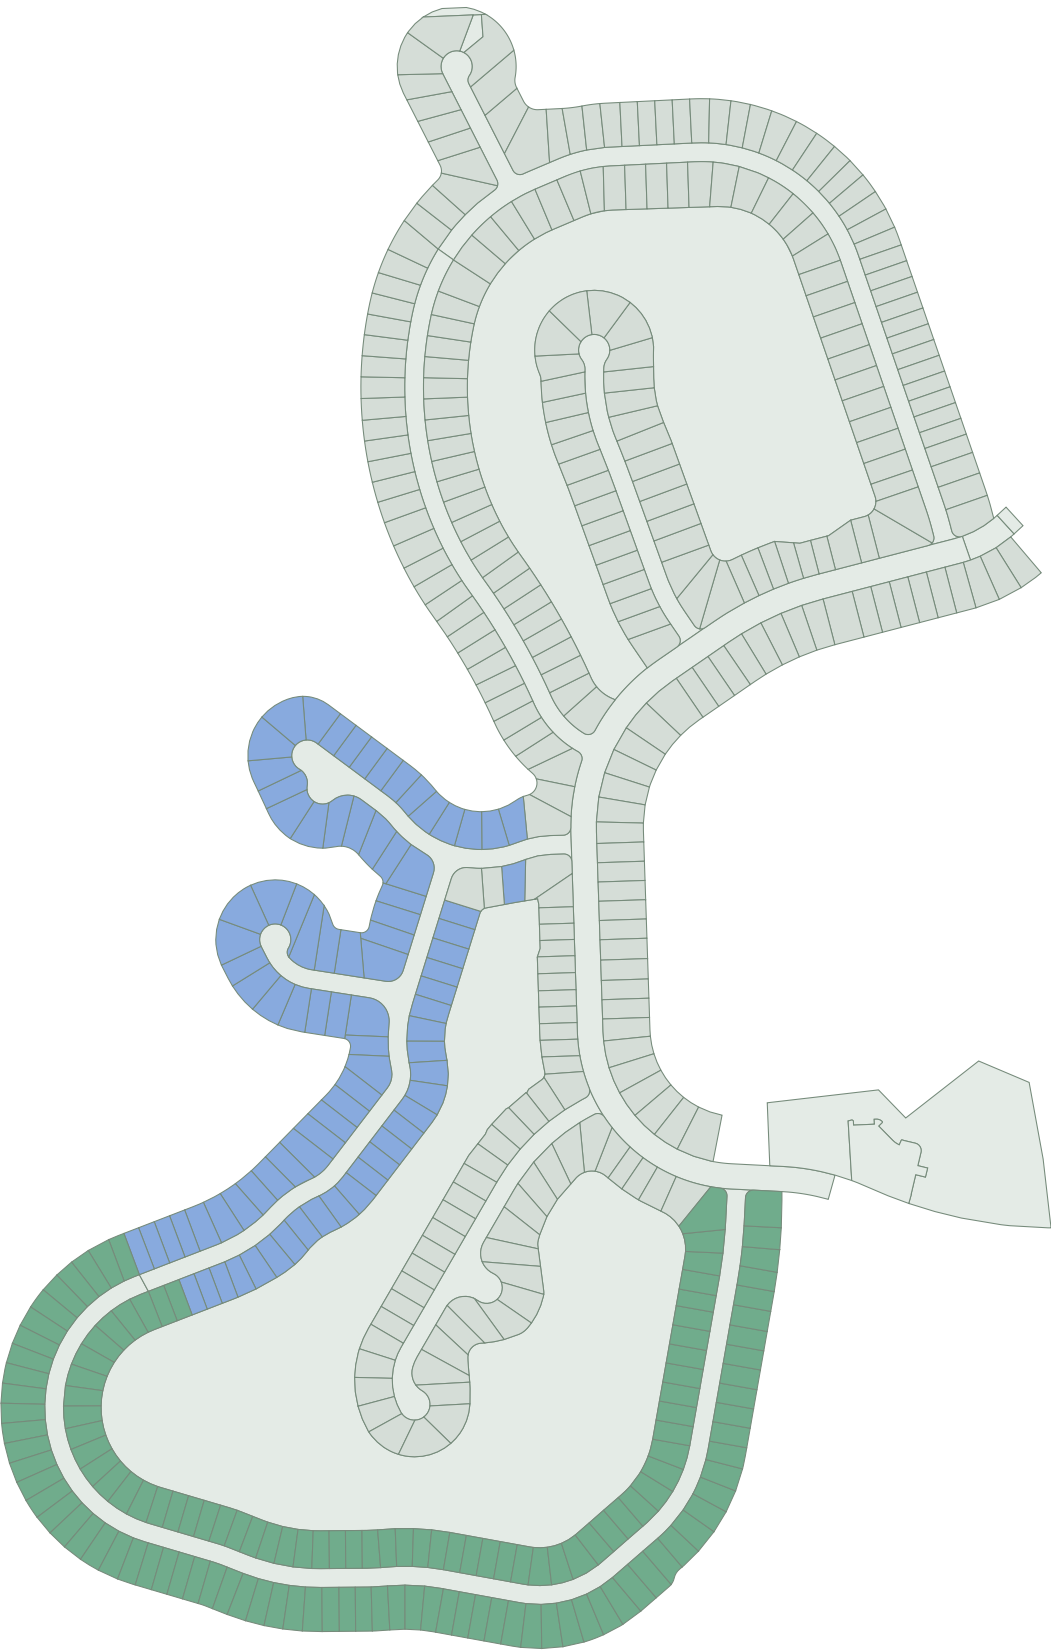

No physical timer, valve, pipe or common-area coordinates have been inferred. Programs and watering times are not verified and have not been reproduced as operating instructions. Empty Timer C and Timer D templates do not establish equipment or coverage.

Sources and limitations

English reference edition | October 9, 2026

County parcel and subdivision snapshot: October 9, 2026. Source irrigation inventory last modified September 1, 2026. No field or live-controller verification.

507 county parcel geometries; 219 exact address matches to 229 inventory rows. Ten common-area references remain unlocated.

Colors show documentary timer associations, not irrigation coverage or hydraulic boundaries. Physical timer, valve and pipe locations are not documented.

County subdivision names and lot identifiers are retained as reported. Lot numbers repeat across subdivision records. Search by address to identify a unique property.

Timers C and D contain empty templates. No zones have been inferred for them. Run times and programs remain in the original inventory and are not treated as verified schedules.

Terreno, Valencia Lakes, Valencia Trails and other similarly named developments are outside this map. County parcel lines are informational and are not a legal survey.

Geometry and address source: Collier County Property Appraiser parcel polygons, subdivision polygons and parcel CSV, updated October 9, 2026. Original polygon vertices are retained; only the display projection changes. County subdivision codes and names are shown as supplied.

Identity anchors: 1777 Birdie Dr = folio 78695208728, lot 133; 1809 Lema Ct = folio 78695812088, lot 3; 1779 Hagen Ct = folio 78695814222, lot 30. All three are county records in Naples 34120.
